☞ Mr. STEVENSON paid the 50l. to the Cotton Manufacturer's Company, but inſiſted on a conditional Receipt, to have his Money back, with 4 per Cent. Intereſt, in Caſe his Shop in *Old Mill-Gate* ſhould be taken down; which Receipt was given; but on farther Conſideration, they thought it an improper one, and returned the Money in a few Days, and took up their Receipt: Nothing has been ſince paid, Mr. STEVENSON alledging, that he did not ſubſcribe his Money to take down his own Shop, and appeals to the Subſcription Articles.
